Also, the Association is pleased to have five active councils. The purpose of a council is to provide "like-minded" members an opportunity to further explore their interests. Each council has annual dues to cover the council's activities.

Payment is included to join the....

Remodelers Council.....\$120

The goals of this Council are to provide education for themselves in various areas of remodeling and to promote their expertise to the consumer. They also reach out to the public through varied community projects. They send packets of remodeling information at no charge to the public.

Commercial Builders Council....\$150

The members of this Council are interested in the areas of commercial construction and development. They support one another and provide information to the community.

Development Council.....\$25

The members of this Council are interested in the areas of industrial, commercial, and residential development. They will support one another and provide information to the community.

Builders Exchange..... \$250

This Council provides access to commercial projects currently out for bid in our area. Members can view plans and specs in our office and also online if they subscribe to the Plans Online Service. Members also receive the *Weekly Bulletin* and access to the website, giving them information on posted projects.

40 Below (Individual).....\$30
(Company 4+ people).....\$100

This Council's mission is to empower Rochester's young professionals to advance their professional and personal life by creating a welcoming atmosphere to cultivate long-term connections. Their vision is to be an active, connected, and engaged group of young professionals building communities in SE MN.
