

Seminar Speakers

Saturday 10:00 AM

Home Construction Workshop

Compeer Financial • **Chris Gartner**

Building a home can be a very exciting and rewarding time in the lives of our clients. Compeer Financial is committed to helping you through the process with a goal of building the home of your dreams. We've developed the *Home Construction Workshop* to help you navigate the process from site selection through loan closing. Our goal is to give

you resources to make informed, confident decisions.

Saturday 10:30 AM & 3:00 PM plus Sunday 12:30 PM

Countertops – The Big Differences in Choice and Price!

The Pinske Edge • **Tom Pinske**

Consumers have many choices in countertop upgrades. We'll provide an overview of the options and the advantages of custom workmanship.

Saturday 11:00 AM

Understanding & Defining Interior Design Styles

Elias Construction, LLC • **Jessica Markley**

Take a journey and learn the hallmarks of various classic design styles. Learn what speaks to you and how you can incorporate your favorite style into your home.

Saturday 11:30 AM

Home Security Systems – From Basic to Fully Interactive

Heartland Security • **Tom Vega and Benjamin Sikorski**

This seminar will provide you information about a simple, basic alarm system to a fully interactive system with the ability to remotely arm/disarm, lock/unlock doors, open/close the garage door, and control lights, temperature, and doorbell cameras.

Saturday 12:00 Noon & 2:00 PM

Balanced Opposites

Hiller's Flooring America & Shaw Industries • **Sandi Ownby**

Balanced Opposites looks at three key drivers of flooring trends in 2019, and how those drivers translate into design and color. With a background in interior design and many years experience with hard and soft surfaces, Sandi combines her knowledge of floor coverings with current home design trends.

Saturday 12:30 PM plus Sunday 1:30 PM

A Guide for a Successful Kitchen Remodeling Project

Beyond Kitchens • **Diane Quinn**

Come and hear about the remodeling process from a kitchen designer and remodeling contractor. Diane Quinn from Beyond Kitchens will go through the step-by-step process of remodeling a kitchen. This will include budgeting, who to hire, design basics and product and material options.

Saturday 1:00 PM plus Sunday 12:00 Noon

Trends in Bathroom Remodeling & the Associated Cost

Luxury Bath Remodeling • **Ron Simon**

When it's time to remodel your bathroom it's an opportunity to not only make your bathroom more attractive, it's also an opportunity to make it one of the easiest rooms to keep clean in your home. For insight on today's building materials that make this possible and the process to promote a stress free

construction experience this is a seminar you won't want to miss.

Saturday 1:30 PM

Solar Energy – A Great Choice for Your Home or Business

Solar Connection, Inc. • **Curt Shellum**

This is an overview of the basics of solar energy – the feasibility in homes, financial aspects, local concerns (snow durability) and frequently asked questions.

Saturday 2:30 PM

How to Plan, Prepare and Navigate Your Next Remodel

Elias Construction, LLC • **Mickey Elias**

Understanding the in's and out's of the remodeling process. Topics include costs, duration and construction process expectations.

Saturday 3:30 PM

Space Planning: What it is and Why it is Important

Design Studio B • **Karen Vangsness Allen**

Have you ever struggled with arranging a room while trying to create a space that both looked good and met your needs? Are you thinking about building, but you don't know where to start with your layout? Maybe you are planning to remodel, but you are wondering about the real options based

on the constraints of your current home? If so, this seminar is for you! Learn space planning basics, how to use "tools of the trade" and most importantly, how to design your space so it functions for how you live.

Seminar Speakers

Sunday 1:00 PM
