BEFORE

AFTER

1502 Glendale Hills Dr NE

Directions: From North Broadway Ave (Hwy 63) turn east onto Rocky Creek Dr NE // Stay on Rocky Creek Dr NE and turn left onto Glendale Hills Dr NE // Follow Glendale Hills Dr NE until you see the home on your left.

Project Goals:

1. Update the existing dated and dark kitchen built in 1997.
2. Provide better lighting in the kitchen.
3. Unify the types of flooring throughout the main floor, including the kitchen.
4. Turn the existing vaulted ceiling in the kitchen into a focal point.

Builders License #BC046205

AFTER

Beyond Kitchens designed and provided contracting services to update this 1997 kitchen. The existing space was transformed from dark and poorly lit; to a bright, functional contemporary kitchen featuring two tones of grey, painted cabinets, and a stained quarter-sawn oak island. Under-cabinet lighting and a "statement" island light solved the Owner's lighting problem. A wood-look luxury vinyl floor throughout the main floor unifies the space into the open-concept plan the home was meant to have.
