1306 Edenborough Lane NW

Directions: Hwy 52 N to 55th St NW // East to Kings Run Dr NW // Left to Belmoral Ln SW // Left on Edenborough Ln NW.

Builders License # BC648944

Project Goals:

1. Update kitchen to a modern design.
2. Bring in more light with a larger patio door and sink window.
3. Add linear fireplace in family room.
4. Refinish hardwood flooring with a dramatic dark stain.

Your Kitchen & Bath Specialist

AFTER

This NW home underwent a huge transformation on the main level. The new Walnut cabinetry is full of natural character, but also maintains a modern look with the flat slab doors and clean horizontal lines. A triple lite patio door and a clear view sink window were added to enhance natural light in the kitchen and dinette area. A dramatic large format tile wall surrounds the new linear fireplace in the family room, complete with 2 niches for art pieces. A new railing system maintains the modern look with a metal structure and ties in well with the kitchen with a natural walnut top rail. The garage entry and laundry were freshened up with new tile flooring, paint, and 2 rustic sliding barn doors.
