

ROCHESTER AREA BUILDERS HOME SHOW 2023

KITCHENS FOR KIDS

We want your talent to be a part of supporting single moms and their children.

The 2023 RAB Home Show will be featuring “Kitchens for Kids” – play kitchens for young children made by members of our community. Proceeds benefit Jeremiah Program. We invite you to be a part of this exciting activity!

A raffle will be held during the event. The people's choice winner will be determined by the largest number of raffle tickets for each project.

These great mini-kitchens will be for children's use but the raffle profits will go toward Jeremiah Program in Rochester MN. Jeremiah's proven, holistic approach begins with establishing a supportive community for single mothers to pursue a career-track, college

education. Through a combination of quality early childhood education, a safe and affordable place to live, and empowerment and life skills training, families find stability and a path out of poverty.

You can also be a part of the Home Show and connect with customers by securing a 10'x10' booth for the entire weekend (Friday, Saturday, and Sunday). Display, educate, and/or promote your business! Cost starts at \$730. Open Registration begins in late summer, early fall.

Build a play kitchen for a young child to win at the RAB Home Show. Proceeds benefit Jeremiah Program. They help single moms get out of poverty, while supporting her and her children.

KITCHENS FOR KIDS

- Construct and donate one Kitchen For Kids to Jeremiah Program which is a 501(c)3, nonprofit organization. Expenses involved in the construction of the Kitchen For Kids as well as donations made by subcontractors and suppliers are tax deductible as a charitable contribution.
- The builder is responsible for providing a name for the project, a company logo, and a brief description of their Kitchen For Kids project. We will need a few photos of the completed play kitchen. These will be used for event marketing purposes. If possible, promote your project in your own marketing materials.
- **Deadline for photos: January 13, 2023**
- The final project will become the property of Jeremiah Program and will be raffled off. Raffle tickets will be sold for \$10 each, or 3 for \$20, with proceeds going to Jeremiah Program.
- The final project must be easily portable, and so the project's final dimensions have a maximum size of 6' x 6' x 6'.
- Weight Restriction - project will need to be able to be loaded by humans into a vehicle without the assistance of a forklift.
- No exposed nails or materials harmful to small children.
- The projects must be **completed by January 13, 2023**. Please have your finished photos to us by this date as well. The designer will be responsible for transporting the project to the Mayo Civic Center. Please contact us for delivery schedule.
- The people's choice winner will be determined by the largest number of raffle tickets for each project.
- Signage will be provided by Rochester Area Builders, Inc.
- Be creative and have fun!

Registration Deadline: September 30, 2022.
